SENSORY-FRIENDLY MORNING

SATURDAY, MARCH 27TH | 8:00AM-10:00AM

- **Schedule of events**
  - 8:00 am Doors open, registration at East Entrance on 5th Ave. N.
  - 9:45 am MoPOP begins preparation for opening to general public
  - 10:00 am MoPOP opens to the general public

- **What to know**
  - Guests ages three and up will be required to wear a mask and practice social distancing from other parties
  - Restrooms are located on the 1st and 2nd levels of the museum
  - Beginning at 9:45 am, museum staff will prepare the museum for public opening at 10:00 am. You are welcome to remain past 10m, but please be aware that sensory levels will increase.
    - During this 15-minute window, volume levels will increase and light levels will intensify throughout the museum
    - To ease the transition to general opening, the break space in Learning Labs will stay open to Sensory-Friendly Morning guests until 11:00 am.
  - Coat check and headphones are not available at this time.

- **Where to go**
  - MoPOP galleries are open this morning with lowered sensory levels
  - Sound Lab is temporarily closed due to its high touch nature, enclosed spaces, and difficulty in cleaning.
  - **Be advised that the exhibit Scared to Death: The Thrill of Horror Film is rated PG-13**

Our next Sensory-Friendly program will take place Saturday, May 29, 2021, from 8:00-10:00am. Find out more at mopop.org/sensoryfriendlyprograms
COVID-19 GUIDELINES

While the museum experience may look a little different, we’re still offering guests the same innovative exhibitions that keep bringing you back, plus new events and experiences modified for your safety. This includes:

- Significantly reduced capacity
- Guests ages three and up will be required to wear a mask and practice social distancing from other parties
- Culture Kitchen is temporarily closed
- Due to reduced capacity, timed tickets are limited. Buy them in advance to guarantee your entry time!
- During your visit, MoPOP staff and volunteers are available to support you. Please do not hesitate to let us know how we can help!

Specific protocols:
- Increased cleaning and sanitation
- Increased housekeeping services across the museum, with a focus on high-touch areas like bathrooms and elevators.
- Use of electrostatic sprayers in galleries and high-traffic areas.
- Touchless hand sanitizer dispensers at all museum and exhibition entrances and in high-traffic areas.
- Touchless soap dispensers in all bathrooms.
- Ventilated, filtered air that is not recycled.

For employees:
- Required training on COVID-19 and ways to protect themselves and others.
- Temperature checks and a health questionnaire for all employees at the beginning of every shift.
- Employees required to wear face masks at all times in the museum.
- Requiring employees to maintain at least 6 feet of distance from guests and other employees.
- Plexiglass dividers at ticketing and retail counters.

For guests:
- Requiring guests ages 3 and above to wear a face covering at all times (with no exceptions)
- Requiring guests to maintain at least 6 feet of social distance (households arriving together do not have to practice distancing).
- Decreasing usual museum capacity by 75% to facilitate social distancing.
- Requiring tickets purchased in advance for a specific entry time to maintain capacity.
- Providing (and cleaning after every use) stylus pens for guests to use with interactive elements.
- Restricting use of coat check except for storing items not allowed in the museum.
- Sound Lab is temporarily closed due to its high touch nature, enclosed spaces, and difficulty in cleaning.
