

# KEEPING EXPERIENCES SAFE!

Your health and safety are our top priority. We've established a number of protocols per federal, state and local guidelines, including:

*Requiring temperature checks for all employees before each shift*

*Mandatory face coverings for staff and guests*

*Requiring guests and staff maintain at least 6 feet of social distance*

*Increased cleaning and sanitation services across the museum*

*Touchless hand sanitizer dispensers at all museum and exhibition entrances and in high-traffic areas*

*Controlled and directed entrance and exit plans*

*Social distancing, directional, and queuing signage throughout museum*

*Capacity monitored and limited*

*On and off-site vendors required to meet health and safety standards*

*Superior air filtration system, which acquires air from the top of the building, allowing for 100% fresh air intake and increased exhaust for ventilation*

## ASK US ABOUT THESE SAFE EXPERIENCES:

- Virtual tours
- Photography
- Private screenings
- Livestreaming
- Exclusive after-hours museum access
- Ceremonies on the Plaza
