GOING TO SENSORY- FRIENDLY MORNING

A story to help guests get ready for Sensory-Friendly Evening at the Museum of Pop Culture.
I am going to MoPOP today!

MoPOP is a museum with galleries about music, movies, TV shows, fashion, and other aspects of pop culture.
COVID-19 Regulations

- All guests ages 3 and above are required to wear a face covering at all times. No exceptions.

- Due to a King County mandate, all guests 12 years and older will be required to show proof of full vaccination or a negative PCR COVID test taken within 72 hours prior to your visit.

- MoPOP has increased cleaning and sanitation procedures in place.

- MoPOP requires employees to participate in COVID-19 training and to wear face masks.

- You can find out more about MoPOP’s COVID-19 protocols at mopop.org//visit/covid-19-information-for-our-visitors/
First, I will go to the North/Group Entrance at MoPOP.

There is a door called the North/Group Entrance and I can go in starting at 8:00 a.m. for Sensory-Friendly Morning.

I might need to wait in line before I can go inside.

This red circle shows where I will walk into MoPOP.
Next, I will go to the table to check in.

Someone who works at the museum will greet me.
They can also help me to know what I will do at the museum today.
If I am 12 years old or older, this is also where I will show my proof of Covid 19 Vaccination, or negative Covid-19 test.
There will also be a table where I can pickup a welcome sheet and map of MoPOP.

The welcome sheet has details about the day and other important information.

I can also get a map of MoPOP here, which will have notes about the sensory levels of each exhibit.
When I am at the museum, there are some important rules to follow.

Sometimes, there will be a sign that says “do not touch.”

There are things at MoPOP that are okay to touch, but most things are just for me to look or listen.

I can ask someone for help if I’m not sure.
When I am at the museum, there are some important rules to follow.

Being at MoPOP is very exciting, but it is important for me to stay safe even when I’m excited.

I can walk in the museum, but I should slow down if I feel like I want to run.
There are many choices for me to make at MoPOP.

Here are some of the choices I can make:

I can use these pictures to make a schedule for when I visit MoPOP.
If I need a break...

I can visit Learning Labs, which is quiet and calm.
There are 3 levels of MoPOP to explore!

Level 1

Level 2

Level 3
Level 1 Choices

1. Learning Labs
   • Quiet Break Space

2. Science Fiction and Fantasy Hall of Fame
   • Gallery about people important to science-fiction and fantasy.

3. Infinite Worlds of Science Fiction*
   • Gallery with objects from science-fiction movies and TV shows.

4. Scared to Death: The Thrill of Horror Film*

   • See real costumes from live-action Disney films and learn how they were designed!

*The entrance for Pearl Jam is on Level 2
At 9:45 a.m., lights and sounds will come back on.

This can be an exciting and overwhelming time.

Lights and sounds at the museum will start to turn back up, so it will get louder and brighter.

There will be 15 minutes of lights and sounds being turned up by museum workers.
After 15 minutes of lights and sounds turning on...

MoPOP opens to the public at 10:00 am.

Then, more people will begin to enter the museum.
I can choose...

If I want, I can see more of MoPOP. There will be lots of other people here after Sensory-Friendly Morning is over.

I might need to wait my turn to see something or do an activity, and all the lights and sounds will be turned on.

When I am finished, I can go home.
It is time to leave MoPOP.
The museum was fun, but I am ready to go home. I will need to exit through the West Entrance, on Level 2. Here’s what that exit looks like and where it is on the map.
It is time to leave MoPOP.

MoPOP is open from 10:00am-5:00pm.

I can come back to the museum and explore on another day!

There is also another Sensory-Friendly Program happening Saturday, March 26, 2022, 8am-10am, so I can come to that too!
I can enjoy MoPOP from home, too!

• MoPOP has all kinds of online activities that I can do at home.

• I can visit mopop.org//programs-plus-education/education/online-educational-resources/ to check them out!
